Re: CPF No. 3-2006-0004

Dear Mr. Iannarelli:

On April 15, 2009, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Amerigas Propane, Inc a Final Order for CPF 3-2006-0004. The Order included a Compliance Order, Civil Penalty, and the requirement to take corrective actions on your propane distribution system operated out of Flint Hills, MO. On November 22, 2010, we received correspondence from Mr. Ron Rogers detailing what was done to comply with the Final Order. Based on that response with the accompanying documentation, as well as some follow-up documentation provided by your personnel, and confirmation of payment of the civil penalty, it has been determined that you have complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

David Barrett
Director, Central Region
Pipeline and Hazardous Materials Safety Administration
