CPF No. 3-2008-5012

FINAL ORDER

As a result of the inspection, the Director, Central Region, OPS, issued to Respondent, by letter dated November 26, 2008, a Notice of Probable Violation and Proposed Civil Penalty (Notice). In accordance with 49 C.F.R. § 190.207, the Notice proposed finding that Kinder Morgan had committed two violations of 49 C.F.R. § 195.404 and proposed assessing a civil penalty of $17,600 for the alleged violations.

Kinder Morgan responded to the Notice by letter dated December 9, 2008 (Response). The company did not contest the allegations of violation and paid the proposed civil penalty of $17,600, as provided in 49 C.F.R. § 190.227. Payment of the penalty serves to close the case with prejudice to Respondent.

FINDINGS OF VIOLATION

In its Response, Kinder Morgan did not contest the allegations in the Notice that it violated 49 C.F.R. Part 195, as follows:

Item 1: The Notice alleged that Respondent violated 49 C.F.R. § 195.404, which states in relevant part:
§ 195.404 Maps and records.

(a) . . . .

(c) . . . .

(3) A record of each inspection and test required by this subpart shall be maintained for at least 2 years or until the next inspection or test is performed, whichever is longer.

Item 1(a) of the Notice alleged that Respondent violated 49 C.F.R. § 195.404(c)(3) by failing to maintain records of required monthly inspections of five breakout tanks for November 2006 and August 2007.

Item 1(b) of the Notice alleged that Kinder Morgan violated 49 C.F.R. § 195.404(c)(3) by failing to maintain records of required spring 2007 inspections of five mainline valves.

Respondent did not contest these allegations of violation. Accordingly, based upon a review of all of the evidence, I find that Respondent violated 49 C.F.R. § 195.404(c) by failing to maintain inspection records as further described in the Notice.

Having reviewed the record and considered the assessment criteria, I assess Respondent a civil penalty of $17,600, which amount has already been paid by Respondent.

The terms and conditions of this Final Order are effective upon service in accordance with 49 C.F.R. § 190.5.
