Dear Mr. Backes:

On July 26, 2010, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Marysville Hydrocarbons, LLC, a Final Order in the above-referenced case. In the annual status report dated June 10, 2011, it was indicated that DCP Midstream had acquired the Marysville Storage facility and would fulfill the remaining obligations under the Compliance Order. The Compliance Order is part of the Final Order (Order). Based on our review of the documentation that was provided by Marysville Hydrocarbon and DCP Midstream, it has been determined that you have complied with the terms of this Order. Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Allan C. Beshore
