CERTIFIED MAIL - RETURN RECEIPT REQUESTED

December 28, 2010

Mr. John Gurrola, Vice President and Manager
Wolverine Pipe Line Company
8075 Creekside Drive, Suite 210
Portage, MI 49024-5251

CPF 3-2010-5004M

Dear Mr. Gurrola:

On October 22-26, 2007, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to chapter 601 of 49 United States Code, inspected Wolverine Pipe Line Company's procedures and records as part of a standard unit inspection in Portage, MI. As a result of the inspection, Wolverine Pipe Line was issued a Notice of Amendment on February 2, 2010, which proposed amendment of your procedures.

Wolverine Pipe Line had previously submitted its amended procedures on August 27, 2009. My staff reviewed the amended procedures and subsequent revisions, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

David Barrett
Director, Central Region
Pipeline and Hazardous Materials Safety Administration
