Kansas City, MO 64106-2641

Subject: CPF 3-2013-5018, Notice of Probable Violation and Proposed Compliance Order, dated June 21, 2013

Dear Mr. Barrett:

Pursuant to 49 CFR Part 190.209(a)(1) and I.b.1 of the "Response Options for Pipeline Operators in Compliance Proceedings," National Cooperative Refinery Association is notifying PHMSA that we are not contesting the subject Proposed Compliance Order. Once we receive the final Compliance Order, we will respond to the final Compliance Order in the manner and time frame specified in the Proposed Compliance Order.

Please contact James Wilson at 620-241-9253 if you have additional questions or comments.

Sincerely,

Richard S. Petersen
Vice President, Transportation
