CPF No. 3-2014-5006M

Dear Mr. Grau:

On October 28th – November 1, 2013, representatives of the Central Region office of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code inspected the operation and maintenance procedures for Crestwood Dakota Pipeline LLC at your offices in Epping, ND.

On December 22, 2014, February 9, 2015, and May 13, 2015, we received your revised procedures in response to the Notice of Amendment sent to you on September 26, 2014. The amended Procedures have been reviewed and are acceptable.

This letter is to inform you that no further action is necessary and that this case is being closed. Thank you for your cooperation in this matter.

Sincerely,

Allan C. Beshore
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
