Re: CPF 3-2015-5013M

Dear Mr. Schade:

On August 21, 2012, representatives from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to chapter 601 of 49 United States Code inspected Calumet Superior, LLC's (Calumet's) procedures for Public Awareness Program Effectiveness in Superior, WI. As a result of the inspection, Calumet was issued a Notice of Amendment on November 20, 2015, which proposed amendment of your procedures.

Calumet submitted its amended procedures on December 18, 2015. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

for Allan C. Beshore
Director, Central Region, OPS
Pipeline and Hazardous Materials Safety Administration
