Dear Mr. Simmons:

From August 22 – August 26, 2016, representatives from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of Kinder Morgan Cochin, LLC (Kinder Morgan) Liquids Operations and Maintenance Manual (L-O&M) and Kinder Morgan Operation Qualification Program for Facilities Subject to DOT Parts 192 and 195. As a result of the inspection, Kinder Morgan was issued a Notice of Amendment on January 11, 2019, which proposed amendment of your procedures.

Kinder Morgan submitted its amended procedures on February 15, 2019. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Allan C. Beshore
Director, Central Region, OPS
