Dear Mr. Dehaemers:

On July 6-7, 2017, representatives from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of Tallgrass Pony Express Pipeline (Tallgrass) procedures for construction standards and specifications in El Dorado, KS. As a result of the inspection, Tallgrass was issued a Notice of Amendment on January 11, 2019, which proposed amendment of your procedures.

Tallgrass submitted its amended procedures on February 20, 2019. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Allan C. Beshore  
Director, Central Region, OPS  
Pipeline and Hazardous Materials Safety Administration
