RE: CPF 3-2019-5003M - Notice of Amendment - Tallgrass Pony Express Pipeline, LLC

Dear Mr. Beshore,

In response to the inadequacy found in Engineering Standard, E0100 – Pipelines (Onshore), effective date November 13, 2012, during the construction inspection conducted July 6-7, 2017 the standard has been revised to include reference to 49 CFR Part §195.207.

As is illustrated below, reference to 49 CFR Part §195.207 is contained in Section 33 of the Engineering Standard, E0100 – Pipelines (Onshore). The standard also includes reference to the Tallgrass O&M Procedure OM002_GL – DOT Standards Incorporated by Reference, which specifies the current standards/materials incorporated by reference (e.g., API RP 5LT) per 49 CFR Part §195.3.

Section: E0100
Title: Pipelines (Onshore)
Revised: November 1, 2018

33. Line Pipe Transportation and Handling (D/t)

Line pipe transportation and handling shall conform to 49 CFR Part 192.65 or 195.207; API RP 5L1 Recommended Practice for Railroad Transportation of Line Pipe, API RP 5LT Truck Transportation of Line Pipe and/or API RP 5LW Transportation of Line Pipe on Barges and Marine Vessels (as incorporated by reference) – refer to O&M Procedure OM002_GL – DOT Standards Incorporated by Reference.

If you require additional information, please do not hesitate to contact me.

Sincerely,
