**Re: CPF 3-2019-6006, Notice of Probable Violation, Proposed Civil Penalty and Proposed Compliance Order**

Dear Mr. White:

Crestwood Equity Partners, LP (“Crestwood”) and the Pipeline and Hazardous Materials Safety Administration (“PHMSA”) have reached an agreement in principle to resolve the above-referenced Notice of Probable Violation, Proposed Civil Penalty and Proposed Compliance Order, CPF 3-2019-6006. The parties are working cooperatively to finalize a consent agreement. Accordingly, Crestwood hereby suspends its request for a hearing pending final execution of a consent agreement and requests the April 2 hearing and all related deadlines be vacated at this time.

The parties expect to finalize and execute a consent agreement within the next twenty (20) days. Crestwood will notify you immediately upon execution to formally withdraw its hearing request.

Sincerely,

Trey Overdyke
