**Re: CPF 3-2021-045-NOPV**

Dear Mr. Moler:

On March 29, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA) and Tallgrass Powder River Gateway, LLC (Tallgrass') entered into a Consent Agreement, which included a Compliance Order, for Tallgrass to take specific actions on its pipeline. Based on our review of the documentation you provided, and confirmation of payment of the civil penalty, it has been determined that Tallgrass has complied with the terms of the Consent Agreement and Compliance Order.

Accordingly, this case is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs  
Director, Central Region, OPS  
Pipeline and Hazardous Materials Safety Administration
