CONFIRMATION OF RECEIPT REQUESTED
In the Matter of

Magellan Midstream Partners, LP, CPF No. 3-2021-5001

Respondent.

FINAL ORDER

On January 8, 2021, pursuant to 49 C.F.R. § 190.207, the Director, Central Region, Office of Pipeline Safety (OPS), issued a Notice of Probable Violation (Notice) to Magellan Midstream Partners, LP (Respondent). The Notice proposed finding that Respondent had violated a pipeline safety regulation in 49 C.F.R. Part 195 and proposed a civil penalty of $20,700. Respondent did not contest the allegation of violation or the proposed civil penalty.

Based upon a review of all of the evidence, pursuant to § 190.213, I find Respondent violated the pipeline safety regulation listed below, as more fully described in the enclosed Notice, which is incorporated by reference:

49 C.F.R. § 195.406(b) (Item 1) — Respondent failed to ensure the pressure in a pipeline during surges or other variations from normal operations does not exceed 110 percent of the operating pressure limit established under § 195.406(a).

This finding of violation will be considered a prior offense in any subsequent enforcement action taken against Respondent. In accordance with 49 C.F.R. § 190.223, I assess Respondent a civil penalty of $20,700.

Payment of the civil penalty must be made within 20 days of service. Federal regulations (49 C.F.R. § 89.21(b)(3)) require such payment to be made by wire transfer through the Federal Reserve Communications System (Fedwire), to the account of the U.S. Treasury. Detailed instructions are contained in the enclosure. Questions concerning wire transfers should be directed to: Financial Operations Division (AMK-325), Federal Aviation Administration, Mike Monroney Aeronautical Center, 6500 S MacArthur Blvd, Oklahoma City, Oklahoma 79169. The Financial Operations Division telephone number is (405) 954-8845.

Failure to pay the $20,700 civil penalty will result in accrual of interest at the current annual rate in accordance with 31 U.S.C. § 3717, 31 C.F.R. § 901.9 and 49 C.F.R. § 89.23. Pursuant to those same authorities, a late penalty charge of six percent (6%) per annum will be charged if
payment is not made within 110 days of service. Furthermore, failure to pay the civil penalty may result in referral of the matter to the Attorney General for appropriate action in a district court of the United States.

**WARNING ITEM**

With respect to Item 2, the Notice alleged a probable violation of 49 C.F.R. § 195.428(a), but did not propose a civil penalty or compliance order for this item. Therefore, this is considered to be a warning item. If OPS finds a violation of this provision in a subsequent inspection, Respondent may be subject to future enforcement action.

The terms and conditions of this order are effective upon service in accordance with 49 C.F.R. § 190.5.
