Re: CPF 3-2021-5002

Dear Mr. Koby:

On October 12, 2021, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Final Order in the above-referenced case to Enbridge Energy, Limited Partnership (Enbridge) and its subsidiaries, namely, Enbridge Storage, LLC; Enbridge Storage, LLC; CCPS Transportation, LLC; and Illinois Extension Pipeline Company,. This Order included a Civil Penalty assessment in the total amount of $354,100, as well as a Compliance Order with respect to Item 2 of the Notice requiring Enbridge, and its subsidiaries, to take specific actions to ensure compliance with the pipeline safety regulations applicable to its operations. Based on our review of the documentation provided and confirmation of payment of the civil penalty, it has been determined that Enbridge, and its subsidiaries, have complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs  
Director, Central Region, OPS  
Pipeline and Hazardous Materials Safety Administration
