Re: CPF 3-2022-001-NOPV

Dear Mr. Berry:

On September 30, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Continental Resources, Inc. (Continental) a Final Order in the above-referenced case. This Order included a Compliance Order and Civil Penalty assessment. Based on our review of the documentation provided by Continental on October 19, 2022 and confirmation of payment of the civil penalty in the amount of \$12,000 on September 1, 2022, it has been determined that Continental has complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Gregory A. Ochs
Director, Central Region, Office of Pipeline Safety
