CERTIFIED MAIL - RETURN RECEIPT REQUESTED

March 30, 2017

Mr. Paul M. Brewer
Executive Vice President of Operations
Enable Gas Transmission, LLC
211 North Robinson Avenue, Room 150
Oklahoma City, OK 73102

CPF 4-2016-1016M

Dear Mr. Brewer:

On February 2016 to October 2016, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code inspected Enable Gas Transmission, LLC (Enable) procedures for Operations and Maintenance, and Integrity Management in Oklahoma City, Oklahoma.

As a result of the inspection, Enable was issued a Notice of Amendment (NOA) on December 20, 2016, which proposed amendment of your procedures.

Enable submitted its amended procedures on February 22, 2017. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

R. M. Seeley
Director, Southwest Region
Pipeline and Hazardous Materials Safety Administration
