Executive Vice President

CPF No. 4-2016-5017M

Dear Mr. Coffey:

Between July 27 – August 11, 2015, representatives of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code inspected Energy Transfer Company (ETC) records and procedures for Operations and Maintenance and the Integrity Management Plan at the Houston, TX. office.

As a result of these inspections, a Notice of Amendment, CPF 4-2016-5017M, was issued on May 3, 2016 to Energy Transfer Company. On May 23, 2016, Energy Transfer Company responded to the NOA.

My staff reviewed amended procedure, and the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

R. M. Seeley
Director, Southwest Region
