CERTIFIED MAIL - RETURN RECEIPT REQUESTED

February 27, 2017

Mr. David Chalson
Vice President of Operations
Sunoco Pipeline L.P.
4041 Market Street
Aston, PA 19014

CPF 4-2016-5021M

Dear Mr. Chalson:

On March 2014 to December 2014, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code inspected Sunoco Pipeline L.P. procedures for Operations and Maintenance Plan in Sugarland, Texas.

As a result of the inspection, Sunoco was issued a Notice of Amendment (NOA) on June 2, 2016, which proposed amendment of your procedures.

Sunoco submitted its final amended procedures on February 13, 2017. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

R. M. Seeley
Director, Southwest Region
Pipeline and Hazardous Materials Safety Administration
