Dear Mr. Dunbar:

On November 17, 2017, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to OkTex Pipeline Company, LLC., a Final Order in the above-referenced case. This Final Order included a Compliance Order and Civil Penalty assessment. Based on our review of the documentation provided and confirmation of payment of the civil penalty, it has been determined that you have complied with the terms of this Order.

OkTex submitted documentation addressed in the Items in the Final Order on February 14, 2018 and March 16, 2018. My staff reviewed the documents, and it appears that the required assessments have been completed.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Mary E. McDaniel, P. E.
Director, Southwest Region
