Dear Mr. Backes:

On April 12, 2018, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to DCP Midstream (DCP), a Final Order in the above-referenced case. This Order included a Compliance Order and Civil Penalty assessment. DCP submitted the required information on October 15, 2018. Based on our review of the documentation provided, a subsequent meeting with DCP officials to provide additional clarification on actions taken, and confirmation of payment of the civil penalty, it has been determined that DCP has complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Mary D. McDaniel, P.E.
