Dear Mr. Biswas:

From June 12, 2017 to August 3, 2017, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of Indorama Ventures Olefins, LLC procedures in Houston, TX. As a result of the inspection, Indorama Ventures Olefins was issued a Notice of Amendment on April 27, 2018, which proposed amendment of your procedures.

Indorama Ventures Olefins submitted its amended procedures on May 25, 2018. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Mary A. McDaniel, P.E.  
Director, Southwest Region  
Pipeline and Hazardous Materials Safety Administration
