Dear Mr. McLaughlin:

On July 22, 2020, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to El Paso Natural Gas Company, LLC (EPNG), a Final Order in the above-referenced case that included a Compliance Order. On August 21, 2020, EPNG submitted its actions taken to complete the actions under the Order.

PHMSA has reviewed the records of EPNG's evaluation for the applicability of Pipeline Safety regulations with regards to the confirmation of MAOP in its submittal and has determined the evaluation to be acceptable.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Mary L. McDaniel, P.E.
Director, Southwest Region
