Dear Mr. Sabel:

On May 18, 2020, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Venture Global Calcasieu Pass, LLC, a subsidiary of Venture Global LNG, (Venture Global) Inc. a Final Order in the above-referenced case. This Final Order included a Compliance Order, that required the respondent to complete all items within 10 days of receiving the Final Order.

In your letter dated May 28, 2020, Venture Global responded that all actions required in the Compliance Order were completed and payment of the penalty was made on May 26, 2020. Based on our review, it has been determined that you have complied with the terms of the Final Order and that this case is now considered closed.

Thank you for your cooperation in this matter.

Sincerely,

Mary L. McDaniel, P.E.
Director, Southwest Region
