**Re: CPF-4-2019-5002W
Warning Letter**

Ms. McDaniel,

The Warning Letter referenced above and dated January 16, 2019 was received by Permian Express Partners, LLC (PEP) on January 16, 2019 via electronic mail. PEP is a subsidiary of Energy Transfer (ET).

The January 16 letter provided PEP 30 days to respond. Although a written response is not required PEP has chosen to respond in order to address the probable violation of §194.105 referenced in the January 16 letter.

PEP appreciates PHMSA's consideration of the points outlined in the attached response and the prompt manner in which the Company addressed the findings of the inspection and the January 16 letter.

Should you have any questions or concerns please contact me at (713) 989-7126 or via email at todd.nardozzi@energytransfer.com.

Sincerely,
