Dear Mr. Warren:

On January 14, 2020, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Energy Transfer L.P. a Final Order in the above-referenced case. This Order included a Civil Penalty assessment and a Compliance Order with requirements to review your HLD 44 procedures, retrain the technicians on changes and its requirements, and to conduct an EFRD study. Based on our review of the documentation provided and confirmation of payment of the Civil Penalty, it has been determined that you have complied with the terms of this Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Mary L. McDaniel, P.E.  
Director, Southwest Region  
Pipeline and Hazardous Materials Safety Administration
