FINAL ORDER

On April 9, 2020, pursuant to 49 C.F.R. § 190.207, the Director, Southwest Region, Office of Pipeline Safety (OPS), issued a Notice of Probable Violation (Notice) to Western Refining Logistics, LP, a subsidiary of Marathon Petroleum Corporation (Respondent). The Notice proposed finding that Respondent had violated the pipeline safety regulations in 49 C.F.R. Part 195 and proposed a civil penalty of \$236,602. Respondent did not contest the allegations of violation and paid the proposed civil penalty on April 23, 2020. In accordance with § 190.208(a)(1), such payment authorizes the entry of this Final Order.

Based upon a review of all of the evidence, pursuant to § 190.213, I find Respondent violated the pipeline safety regulations listed below, as more fully described in the enclosed Notice, which is incorporated by reference:

49 C.F.R. § 195.402(d) **(Item 1)** — Respondent failed to follow its manual of written procedures for responding to, investigating, and correcting the cause of an increase in pressure or flow rate outside normal operating limits.

49 C.F.R. § 195.505(d) **(Item 2)** — Respondent failed to follow its written qualification program and evaluate individuals when the operator had reason to believe the individuals’ performance of a covered task contributed to an accident as defined by Part 195.

These findings of violation will be considered prior offenses in any subsequent enforcement action taken against Respondent. In accordance with 49 C.F.R. § 190.223, Respondent is assessed the proposed civil penalty amount of \$236,602, which Respondent has already paid in full.

The terms and conditions of this order are effective upon service in accordance with 49 C.F.R. § 190.5.
