Dear Mr. Mallon:

On December 21, 2021, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to ExxonMobil Upstream Oil & Gas Company, US Conventional (ExxonMobil), a Final Order in the above-referenced case. This Order included a Compliance Order requirement to ensure ExxonMobil's supervisors had up-to-date training and assessed a Civil Penalty. Based on PHMSA's review of the documentation provided by ExxonMobil and confirmation of payment of the Civil Penalty, it has been determined that ExxonMobil has complied with the terms of the Final Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Mary L. McDaniel, P.E.  
Director, Southwest Region  
Pipeline and Hazardous Materials Safety Administration
