SENT TO COMPLIANCE REGISTRY

Hardcopy Electronically
of Copies 3 / Date 5/4/07

Dear Mr. Hoidal,

This letter is in response to the Notice of Probable Violation (NOPV) issued by the Office of Pipeline Safety on April 4, 2007 and refers to the Integrity Management Inspection which occurred at our facilities on the dates of August 28th through the 31st of 2006.

CHS plans to comply with the order and intends to complete the work identified in the NOPV by November 1, 2007. Please consider this as notification of a request for extension, should the Final Order be issued prior to that timeframe.

If you need any further information from CHS, please let me know.

Please contact CHS if you have any questions.

Sincerely,

John Traeger
