**RE: CPF 5-2009-5034
Termination of Consent Agreement and Order (Agreement)**

Dear Mr. True:

On January 17, 2014, PHMSA received a letter responding to my letter of January 6, 2014, where-in I detailed additional alleged deficiencies in your procedures based on my staff's review of the records you had submitted. In your most recent letter, you detail how your supervisory staff engages your operations and maintenance (O & M) personnel on a daily basis. You also point to the fact that you do have records of modifications you have made to your O & M manuals and procedures.

I agree that your overall program for periodically reviewing the work done by operator to determine the effectiveness of the procedures used in normal operation and maintenance and taking corrective action where deficiencies are found have been modified appropriately and appear to provide adequate direction to supervisory personnel to carry out this directive per the requirements in 195.402(c)(13).

Item 20 in "Section X. Termination." Agreement, states:

"20. With the exception of Sections 9 and 10 of this Agreement, which shall survive termination, the remaining terms and conditions of this Agreement shall terminate upon: (a) Bridger's payment of the civil penalty set forth in Paragraph 11; and, (b) Bridger's satisfactory completion of the compliance terms set forth in Paragraph 15, pursuant to the submittal and review procedures set forth therein. Nothing in this

Agreement precludes Bridger or PHMSA from completing any of the obligations earlier than the deadlines provided for in this Agreement.”

I have confirmed the receipt of the civil penalty in this case in the amount of \$45,000, on November 15, 2014. Therefore, I have determined that Bridger has satisfactorily completed the terms set forth in Paragraph 12 (receipt of civil penalty specified in Paragraph 11) and 15, of the agreement and that this agreement is terminated.

If there are any questions concerning this letter, please do not hesitate to contact me at (720) 963-3160. Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Hoidal". The signature is fluid and cursive, with a large initial "C" and a long, sweeping underline.
