CERTIFIED MAIL - RETURN RECEIPT REQUESTED

November 30, 2011

Mr. Daniel Knepper
President and Chief Operating Officer
Cenex Pipeline Company
803 Highway 212 South
Laurel, MT 59044

CPF 5-2011-5018M

Dear Mr. Knepper:

On August 16 through September 3, 2010 a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of Cenex Pipeline Company's (Cenex) integrity management program procedures in Laurel, Montana. As a result of the inspection, Cenex was issued a Notice of Amendment on July 26, 2011, which proposed amendment of your integrity management program procedures.

Cenex submitted its amended procedures on September 20, 2011. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Chris Hoidal

Director, Western Region
Pipeline and Hazardous Materials Safety Administration
