RE: CPF 5-2015-0019W

Dear Mr. Laliker:

On December 23, 2015, the Pipeline and Hazardous Materials Safety Administration sent you a Warning Letter, CPF #5-2015-0019W. Item #5 in the letter cites regulation §192.709(c), which is correct. However, the description associated with Item #5 contains a typographical error. Regulation §195.709(c) should have been §192.709(c).

I apologize for any inconvenience this may have caused.

Respectfully,

A handwritten signature in black ink, appearing to read "Chris Hoidal".
