Closure Letter**

Dear Mr. True:

On January 23, 2015, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Bridger Pipeline LLC a Corrective Action Order in the above-referenced case. This Order requires Bridger Pipeline LLC to take certain corrective measures with respect to the Poplar Pipeline system that failed on January 17, 2015, near Glendive, Montana. Based on our review of the documentation you provided, it has been determined that you have complied with all the terms of the Order.

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Kim West  
Acting Director, Western Region  
Pipeline and Hazardous Materials Safety Administration
