Case Closure

Dear Mr. Weyen:

On July 21-24, 2014, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to chapter 601 of 49 United States Code, inspected Tesoro Logistics GP, LLC procedures for the Northwest Products tank facility in Pasco, Washington. As a result of the inspection, Tesoro Logistics GP, LLC was issued a Notice of Amendment on February 25, 2015, which proposed amendment of your procedures.

Tesoro Logistics GP, LLC submitted its amended procedures on March 27, 2015. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Chris Hoidal
Director, Western Region
Pipeline and Hazardous Materials Safety Administration
