**Re: Correction to
Response to Notice of Probable Violation and Proposed Compliance Order
CPF 5-2015-5019**

Dear Mr. Hoidal,

This letter is in reference to the October 12, 2015 letter signed by Troy Valenzuela of Plains Pipeline, LP (Plains) responding to the September 11, 2015 Notice of Probable Violation and Proposed Compliance Order (CPF 5-2015-5019). In the first line of the October 12th response letter, the CPF number is incorrectly referenced. It should read "(CPF 5-2015-5019)".

We apologize for this oversight on our part.

Sincerely,

A handwritten signature in blue ink, appearing to read "W. Gore, Jr.", with a long horizontal flourish extending to the right.

Wm. Dean Gore, Jr., P.E.
Managing Director, Environmental and Regulatory Compliance
