Case Closure**

Dear Mr. Green:

On April 18 through 29 and May 13 through 17, 2016, representatives of the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, inspected ENSTAR Natural Gas Company's (ENSTAR) Standard Operating Procedures (SOPs) in Anchorage, Alaska. As a result of the inspection, ENSTAR was issued a Notice of Amendment on October 6, 2016, which proposed amendment of your procedures.

ENSTAR submitted its amended procedures on November 8, 2016. PHMSA staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Chris Hoidal
Director, Western Region
Pipeline and Hazardous Materials Safety Administration
