Closure Letter**

Dear Mr. Carbaugh:

On May 2, 2017, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to Aircraft Service International Group (ASIG) a Final Order in the above-referenced case. This Order included a Compliance Order. Menzies Aviation, the current owner of ASIG, responded with a letter dated May 4, 2018, which included several attachments. PHMSA reviewed the May 4th submission and found that Menzies completed several of the items associated with the Final Order but, as PHMSA described in our October 3, 2018 letter, Menzies failed to adequately complete Item 4 of the Final Order.

Menzies responded to the remaining deficiency on November 5, 2018. Based on our review of the documentation you provided, it has been determined that you have complied with the terms of this Order. Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Chris Hoidal  
Acting Director, Western Region  
Pipeline and Hazardous Materials Safety Administration
