Re: 5-2017-6017, In the Matter of ExxonMobil Production Company, Respondent

Dear Ms. Baldwin:

Respondent ExxonMobil Production Company (Respondent) submits with this letter electronic copies of exhibits and records that it may introduce in the hearing in the above-referenced matter. Respondent has included in the exhibits a copy of the PHMSA web site page which provides a link to PHMSA's "Incident Flagged Files," which are voluminous spreadsheets containing pipeline incident information. See <https://www.phmsa.dot.gov/data-and-statistics/pipeline/pipeline-incident-flagged-files>. Respondent reserves the right to introduce information from these spreadsheets. Respondent also reserves the right to rely on any information utilized by PHMSA in the rulemaking docket for the Control Room Management rulemaking.

Respondent has marked certain exhibits as "Confidential and Proprietary Information Protected from Public Disclosure." Respondent submits that this information is commercial, financial or constitutes a trade secret, is confidential, and is exempt from disclosure under the Freedom of Information Act. Respondent will submit a second copy with an explanation for the treatment as confidential.

Respondent will have the hearing transcribed.

ExxonMobil Production Company personnel participating at the hearing will be as follows:

- Vic Pyle, III, Counsel, Environmental and Safety Law Department
- Ben Wood, LaBarge and SYU SSH&E Supervisor
