**Re: CPF No. 5-2017-7004**

Dear Mr. Carone:

This responds to your letter dated May 15, 2019, requesting that the May 3, 2019 Final Order in the above-referenced case be “put in abeyance until such time as a hearing has been properly conducted.” Enforcement matters, such as this one, are conducted in accordance with rules established in 49 C.F.R. Part 190. Those rules require a respondent to answer a notice of probable violation within 30 days of receipt.

In a letter dated April 20, 2018, Pacific Operators Offshore LLC (PACOPS) submitted a written response to the Notice of Proposed Violation, Proposed Civil Penalty, and Proposed Compliance Order (Notice) issued in the instant case. PACOPS never requested a hearing pursuant to 49 C.F.R. § 190.208. PACOPS thus waived its right to a hearing. For these reasons, I decline to place in abeyance or otherwise modify the Final Order issued in this case. Accordingly, a final order was issued after expiration of the 30-day response period as set forth in § 190.213.

When the civil penalty has been paid and the terms of the compliance order completed, as determined by the Director, Western Region, this enforcement action will be closed. Service of the Final Order by certified mail was effective upon the date of mailing, May 3, 2019, as provided under 49 C.F.R. § 190.5.

Thank you for your cooperation in this matter.

Sincerely,

Alan K. Mayberry  
Associate Administrator  
for Pipeline Safety
