**CPF 5-2021-022-NOPV
Closure Letter**

Dear Mr. Sanders:

On October 22, 2021, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to SFPP LP, an indirect subsidiary of Kinder Morgan, Inc., a Consent Order in the above-referenced case. This Order incorporated the terms of the Consent Agreement executed between the parties on October 20, 2021. The Consent Agreement included findings of violation, compliance requirements, and an assessed civil penalty of \$1,493,200. Based on our review of the documentation you provided and confirmation of payment of the civil penalty, it has been determined that you have complied with the terms of the Consent Agreement and Order.¹

Accordingly, this case is now closed and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Dustin Hubbard
Director, Western Region
Pipeline and Hazardous Materials Safety Administration

¹ PHMSA does request, however, that SFPP consider clarifying its Integrity Management Program Manual Section 6.3.2 *Data Acquisition*, by noting the position “Manager” with a hyphen rather than a comma, to more clearly distinguish the roles involved, as follows:

*... Annually, in Q1 of each year, the Manager – Risk Engineering, the Manager - Corrosion,
and the Business Unit Director Operations, or their...*
