Dear Mr. Ormond:

From July 14-16, 2020, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code (U.S.C.) inspected Tres Palacios Gas Storage LLC's (TPGS) procedures¹ for the Tres Palacios Gas Storage facility in Markham, Texas. As a result of the inspection, TPGS was issued a Notice of Amendment on April 20, 2021, which proposed amendment of your procedures.

TPGS submitted its amended procedures on May 3, 2021. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
