Dear Mr. Lamb:

From February 24 - 28, 2020, representatives of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code (U.S.C.) inspected Dominion Energy Transmission, Inc.'s procedures for Operator Qualification (OQ) at your office located in Bridgeport, West Virginia. Subsequently, on November 1, 2020, Dominion Energy Transmission, Inc., OPID 2714, was acquired by Berkshire Hathaway Energy, a subsidiary of Berkshire Hathaway, Inc. Additionally, the name of OPID 2714 was changed to Eastern Gas Transmission and Storage, Inc., referred to hereinafter as EGTSI. EGTSI is utilizing the existing OQ procedures of Dominion Energy Transmission, Inc. As a result of the inspection, EGTSI was issued a Notice of Amendment on April 23, 2021, which proposed amendment of your procedures.

EGTSI submitted its amended procedures on May 21, 2021. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
