Dear Mr. Russo:

On March 19, 2021, and on May 4, 2021, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Corrective Action Order (CAO) and an Amended Corrective Action Order (ACAO), respectively, to Buckeye Partners, LP (Buckeye), with regard to the March 16, 2021 rupture of its 12-inch hazardous liquid pipeline located in Linden, New Jersey. The ACAO included a list of various required Corrective Actions.

We have received the CAO Documentation Report (CDR), dated February 2, 2023, from Ms. Claudia Pankowski, Director of Regulatory Compliance. We have also received quarterly reports, monthly reports, and other information.

Based on our review of the documentation you provided, it has been determined that you have complied with the terms of this Order. Accordingly, this CAO is now closed. Thank you for your cooperation in this matter.

Sincerely,
