RE: CPF No. 1-2022-080-NOPSO / Closure Letter

Dear Mr. Rice:

On December 29, 2022, the Pipeline and Hazardous Materials Safety Administration (PHMSA), Office of Pipeline Safety (OPS), issued a Notice of Proposed Safety Order to Equitrans Midstream Corporation (n/k/a EQT Production).

On May 26, 2023, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued to EQT Production, a Consent Agreement and Order in the above-referenced case. This Order included a requirement to take corrective measures at your Rager Mountain Storage Facility. Based on our review of the documentation provided, it has been determined that EQT Production has complied with the terms of this Order.

Accordingly, this Order is now closed, and no further action is contemplated with respect to the matters involved in this case. Thank you for your cooperation in this matter.

Sincerely,

Robert Burrough
Director, Eastern Region, Office of Pipeline Safety
