Dear Mr. Ruppert:

From November 1 – 3, 2022, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code (U.S.C.) inspected Eastern Gas Transmission and Storage, Inc.'s (EGT&S) procedures for Operator Qualifications in Renovo, Pennsylvania. As a result of the inspection, EGT&S was issued a Notice of Amendment on May 25, 2023, which proposed amendment of your procedures.

EGT&S submitted its amended procedures on June 26, 2023. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

P.P.

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
