Dear Mr. Smith:

From March 21 to 24, 2022, in an on-site inspection, the Illinois Department of Natural Resources, Office of Oil and Gas Resource Management (IDNR), acting as a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code (U.S.C.), inspected Ameren Illinois Company's (AIC) Glasford Storage in Peoria County, Illinois. As a result of the inspection, AIC was issued a Notice of Amendment on June 15, 2023, which proposed amendment of your procedures.

AIC submitted its amended procedures on July 13, 2023. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

P.P.

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
