Mr. David Brast  
Chief Executive Officer  
Columbia Gas Transmission, LLC  
700 Louisiana Street  
Houston, Texas 77002

**CPF 1-2023-051-CAO**

Dear Mr. Brast:

On July 28, 2023, and on August 15, 2023, the Pipeline and Hazardous Materials Safety Administration (PHMSA) issued a Corrective Action Order (CAO) and an Amended Corrective Action Order (ACAO), respectively, to Columbia Gas Transmission, LLC (CGT), with regard to the July 25, 2023 rupture of its 26-inch natural gas pipeline located in Strasburg, Virginia (Line VB). The ACAO included a list of various required Corrective Actions.

We have received the CAO Documentation Report (CDR). Additionally, we have also received quarterly reports, monthly reports, and other information.

Based on our review of the documentation you provided, it has been determined that you have complied with the terms of this Order. Accordingly, this CAO is now closed. Thank you for your cooperation in this matter.

Sincerely,

Robert Burrough  
Director, Eastern Region  
Pipeline and Hazardous Materials Safety Administration
