Dear Ms. Faraca:

From June 13, 2023, through June 15, 2023, via video conferenced inspection, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code (U.S.C.) inspected ANR Pipeline Co. 's (ANR) procedures for its public awareness program. As a result of the inspection, ANR was issued a Notice of Amendment on March 19, 2024, which proposed amendment of your procedures.

ANR submitted its amended procedures on April 17, 2024. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
