Dear Mr. Hallam:

From May 29th, 2024 to June 13th, 2024, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code (U.S.C.) inspected Gulf South Pipeline Company, LLC's (Gulf South) procedures for underground natural storage in Petal and Jackson, Mississippi. As a result of the inspection, Gulf South was issued a Notice of Amendment on December 20, 2024.

Gulf South Pipeline Company, LLC submitted its amended procedures on January 17, 2025. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
