Dear Mr. Hallam:

On June 4-6, 2024, a representative from the Pipeline and Hazardous Materials Safety Administration (PHMSA), pursuant to Chapter 601 of 49 United States Code, conducted an on-site pipeline safety inspection of Boardwalk Pipeline Partners LP's (Boardwalk) procedures in its Leesville and Wilfred underground gas storage facilities in Lawrence County and Sullivan County, Indiana. As a result of the inspection, Boardwalk was issued a Notice of Amendment on August 14, 2025, which proposed amendment of your procedures.

Boardwalk submitted its amended procedures on September 12, 2025. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
