RE: CPF 1-2026-025-NOA

Dear Mr. Marchese:

From March 10 to 21, 2025, a representative of the Pipeline and Hazardous Materials Safety Administration (PHMSA) pursuant to Chapter 601 of 49 United States Code (U.S.C.) conducted an inspection of Central Valley Gas Storage LLC's (CVGS) procedures in Colusa County, California. As a result of the inspection, PHMSA identified an apparent inadequacy found within CVGS's plans or procedures.

CVGS submitted its amended procedures on March 12, 2026. My staff reviewed the amended procedures, and it appears that the inadequacies outlined in this Notice of Amendment have been corrected.

This letter is to inform you no further action is necessary and this case is now closed. Thank you for your cooperation.

Sincerely,

Robert Burrough
Director, Eastern Region
Pipeline and Hazardous Materials Safety Administration
